Dear Sir

I hereby respectfully tender to you a resignation of my Office as Asst Surgeon of the C.S.A. and hope for your favorable reception of the same.

The reason which induces me to take this step is protracted illness. For the Eight (8) months I have been in service in the Army I have been and Invalid for six (6) months and I am now effected by Chronic Dysentery so badly as to make it impossible to stand a Winter Campaign. Duty therefore to myself as well as to the Service requires that I should ask to take this step.

I remain with distinguished regard,
Your obt Servt

President Davis,

Sir;

I, hereby, have the honor to address you concerning some papers left by me at the War Department. They were letters of recommendation in the handwriting of Genl Johnston and Lt Genl Pemberton, and a like letter subscribed by Maj Genl Smith. At the time of my depositing them, there existed no order preventing Copies being taken and the originals being left in my possession. I was, therefore, promised by Lt Col Pulford the re-possession of my recommendations when I should have been promoted and assigned to duty upon them. I discover this morning that the vacancy I had hoped to fill has been otherwise occupied, I, therefore, pray you to make an exception to the order I found since the deposit of my papers and so ordain this as to allow me to regain them.

I feel that the papers themselves are highly valuable as I have any promotion to be gained by them, [illegible]

Yours of the 29th is just to hand
I would state that it is necessary for any
application to be made for your detail—unless
your Captain will approve it—No detail
will be granted—unless first approved by
your Commanding Officer—as you have
an application now before the Secty of War
it is useless to make another until that
is heard from—Should this application
not be granted & you can get the Consent
of your Captain & approve your detail for

will retain the Surgeons Certificate until
I hear from you again—According

On the 21st July 1864 I had the honor to forward application from Mr. Thos. L. Scattergood for appointment of Capt. C. Bell as Assistant Q.M. & Commissary of Subsistence, & requested it might be forwarded with the least possible delay to Commissioner Chilton at once. I respectfully request that he be made a Bonded Commissary Agent. He is a native of Tennessee, 38 years of age. He has been for a long time with Maj. Jackson in charge of Cattle, and is thoroughly conversant with the business. I particularly desire to have him commissioned however for the reason that funds have to be entrusted to him when engaged in transporting Cattle long distances Eastward, to provide pasturage &c for them, and it is important that he should be bonded.

Gen'l. P. Asbell Jr.

Dr.

I have tried to arrange my business in such a manner as to have a personal interview with you, but it is out of my power to leave my Post of duty. But permit me to impress upon you the necessity of taking prompt and final measures to interrupt the present unreasonable and unnecessary speculation that is going on through the Country.

I most respectfully suggest that it is due to the families of absent soldiers that the speculators be not permitted to monopolize the very necessaries of life. In "Virginia" and "Tennessee" by an order from Gen'l Joseph E Johnson, and Gen'l Kirby Smith respectively all trade in any kind of grain or Meats was entirely broken up. The Respective R Road Companies & Captains of boats, were ordered to receive no Stores that would come under the head of Commissary Supplies under the penalty of having the R Road, Stock, and Boats, seized by the Government. All Supplies in transitu when the order was issued was stopped and no permit under any circumstances was given private parties or Sub. agents to transport provisions out of the State. But such provisions as were needed for different Commands was furnished upon requisition made upon the Chief Commissary of the district.

The necessity for a similar order in Texas is greater than it ever was in either of the above mentioned States.

I am convinced that unless such an order be issued our Army must go into our enemies Country to subsist or suffer before the winter is over. But with it sufficient supplies can be obtained in the Country for the support of all Military Organizations.

A certain Charitable aid society exists in San Antonio, the object of which is to obtain flour to sell to private families. An agent represents them here who by some means has Conscripts hauling for him. A copy of the pass, furnished him Commutes is herewith forwarded. I think the end for which this society was organized could be better met by removing, this Agent and procuring the necessary supplies, when applied by you, through the Commissary at this Post.

It is absolutely necessary for the good of the service and injustice to the families of absent Soldiers that all supplies from this country should come through a Government Officer. No system exists at present.

I am loaded to for the Subsistence of a very large number of men. The only means I have to procure them is to go into into the market and bid against all Classes of buyers. I cannot do the Government justice in this manner and my Contractors cannot hesitate of paying their Contracts.

I must earnestly beg of you General to give this your earliest attention for winter is close upon us and the respective Commands on this side of the Trinity is badly provided.

Very Respectfully
Your Obt Servt

Brig Genl P O Hébert

It becomes my duty to call upon you to assist me in my efforts to procure and forward subsistence for the various commands in Texas and Arkansas. The supply of wheat and flour on hand is fast being reduced to nothing compared with the wants of our army. Speculators are widening the breach between those wants and buying up all the breadstuffs of the country. When they need transportation the larger prices they obtain for flour enables them to bid higher for hauling, than I can pay. I am paying one dollar and fifty cents p hundred pounds for every hundred miles it is useless to fight an enemy abroad, if we are permitting (apparently) friends at home to deprive our forces of the very means of subsistence. There is at present a large amount of flour & wheat in the country but the indications of a crop next year are very bad, for not one third of the wheat

Field

fields are down. I make all contracts for flour with first parties. I have no agents and have travelled through the whole wheat growing country in person Unless some restriction is laid upon the present advantageous license, which is in possession of private parties (Speculators) the army will be entirely at their mercy. I am here by order of the Comm'g Genl to subsist all troops west of Mississippi. I have it in my power to do this at present and I must provide for the future more carefully than the present. To do this, the present resources of the country must not be allowed to pass away. It is generally supposed at San Antonio and Houston that I am here more particularly for the Arkansas Army. This is a mistake I am here to regulate the forces of the country as much as it is in my power by removing all government agents and consequent competition and to accumulate sufficient supplies to fill all requisitions that

that an end upon me

The most affection and cordial
way that I can suggest to the
Commanding Genl of this district
to accomplish the end desired
above is to empower me to impress
all teams that are needed to
haul government stores. This
will place a sufficient obstacle
in the way of speculators to
outside cotton forces which cannot
be done at present. Maj Mackin
writes me that he wants on
million pounds of flour at once
Capt Wharton seven hundred
thousand pounds and the
Arkansas army at a dead
stand still and daily from
ten to twenty of the same class
through Dallas loaded with
flour, belonging to speculators
Gentlemen of standing from
southern Texas tell me, that
the citizens are willing to be
deprived of flour, if the army
needs it. I know that such
is the case with our true southern
friends throughout this country
I hope Genl. You may see
the necessity of giving me the

Desired

desired authority to impress
teams, bearing in mind, that
the winter is close upon us &
the roads may soon be too bad
to haul on.

I am most Respectfully

I have the honor of making the following report of my inspection of the Dept of Capt Robt Hill a Qr m for the Reserve Forces of this state. Capt Hill was a Qr master Agent appointed Sept 61. and commissioned July 63. to take effect from Sept 61. and is bonded, and assigned to duty here June 16 1864. by the enclosed order of the Sec of war

Capt Hill does all the duty of his Dept having no assistant or pay master and not even a clerk, the troops of the Reserve are located at several points and to discharge his duty his office will be laborious.

Capt Hill has made no disbursement since he has been here, except to pay the officers of his own staff commutation for quarters &c, borrowing money from Maj Rhett $2000,00 for that purpose. Capt Hill has made

no emplacements, has no contracts, is engages in no private business, has no private horse, his office hours are from 8 a.m to 11 P.M. He has no detailed man in his employment

Capt Odell was Post Qr master at Kingsville, but made no disbursements there and really has no a/cs to inspect —

Occupying the position he does is he not entitled to a Majority? I have known him a long time, and know he is an excellent officer,

Very Respectfully and
Your obdt Servt

It was my wish to see you this morning for a moment, but the pressure of your duties prevented it.

I observe that my letter addressed to you by me under date of Sept. 21st was only yesterday sent to you, and of course you have not yet had leisure to look into it. The letter contains a full statement in regard to the appointment of a Surgeon for my Legion: and I respectfully ask special attention to it. Dr. Frederick Owen was nominated by me, and now will be for that post, and his Commission was signed inadvertently I presume. It was intended that he should be Assistant Surgeon of the Cavalry Battalion. Be good enough to order his appointment accordingly. The commencement of his examination I suppose, by Major Haughton as Assistant Surgeon of his Battalion.

3d There should certainly be allowed more than one Chaplain for the Legion: I suggest one for each Battalion—

July 15th 1862

Sir,

I have the honor to resign my position as Surgeon of the 9th Va Cav Regiment (1st Cavalry) to take effect immediately.

I have had chronic disease of the Stomache and bowels for several months past, and suffer alternately with Diarrhea & Dysentery. I also have chronic disease of the Kidneys & suffer much pain in the Bladder. Exercise, especially on horseback is very disagreeable & often exceedingly painful. I shall be obliged to abandon Regimental & or field service. I have been in the service near 14 months & have only left my post once for a short time to visit my family. For these reasons I offer my resignation & hope it will be accepted.

Very Respectfully

Dear Sir,

Decatur Ala. March 10 '62.

Office of Divisional Quartermaster

General,

I hear with great pleasure that W. C. & A. Stockman of Corinth, is willing to rent the office of Post Quartermaster in that City. The large amount of Government Stores now on hand at Corinth, is deposited in Mr Stockmans ample ware rooms: & near fire proof as can be desired, & the most desirable for that purpose in the City. Mr Stockmans partner, Mr Walker is now in the army, Major. He is a gentleman of unblemished character, handsome property, thoroughly acquainted with the population, resources & means of the County adjacent, & by far the best man for the post that can be named.

I trust for the sake of security of the Government Stores, that Mr Stockman may be appointed. He can give any Army security Bond that can be desired.

Very respectfully,

Wm Sutherland

26 January 1864.

Our examination of the records in the A & I Genl's office it is found that Major S. M. Hillyer A. & I. G. was appointed a Capt. & A. A. G. and subsequently with rank of Major on 26 Sept. 1861, to report to Maj. Genl. G. W. Smith, under which order he was assigned to duty by direction of the Secy of War. Gen. Bragg & Genl. other generals have been allowed to assign staff officers to duty & even to relieve them from one Dept & station without authority from the Secy of War. Maj. Hillyer was appointed to take position held & vacated by Genl. Cooper, by the same authority of the Genl Commanding, that assigned by the same authority the two predecessors.

Maj. Moore had been assigned to duty with Genl Johnston, army as chief of subsistence - which was opposed by Genl Johnston - Maj. Moore. The opposition was not regarded but overruled. When Genl Moore ordered to return Genl Bragg telegraphed to this office requesting that Moore should be detached to accompany him, as he had no confidence in Maj. Hillyer. This was not assented to by the A. & I. Genl's office.

The Genl's thought that the good of the service should be promoted by according to General Johnston's application, while the principle had been maintained

6136 6 1/2

that he could not relieve an officer assigned to duty by the Secy of War.

The question asked by the Adjt. Genl. is one of army organization.
